

**So, you've got Support Coordination funding.  
Now what?**

**How can Support  
Coordination help  
me?**

**Explorability is  
registered to provide  
all levels of support  
coordination.**

**Depending on what you need, we  
can work with you to:**

- Explain NDIS funding and your Plan.
- Liase with service providers.
- Connect with your community.
- Arrange service agreements.
- Review your satisfaction with services and troubleshoot any issues.
- Customise your services and track your funding.
- Manage complex challenges in your support environment.
- Ensure collaboration with your network.

**Our friendly and qualified staff can help you if you are unsure about the next step.  
Please feel free to contact us and ask questions at any time.**
